OSA-3248-63

24 June 1963

MEMORANDUM FOR THE RECORD

SUBJECT: Invitee Processing of ~~Security~~ Eight Communications Personnel (Military)

1. Attached is a list of Communications Personnel (military) ordered to Headquarters for invitee processing during the week of 15 July 1963.

2. Personnel successfully completing invitee processing will proceed to a communications training facility for a 6-week training course, starting 22 July 1963. Upon completion of training, on or about 30 August, personnel will return to their home base for their "out" processing, reporting to their new duty station on or about 1 October 1963. It is anticipated that a full security clearance can be granted prior to 1 October 1963. Personnel will not, of course, be ordered to their new post of duty until their full clearance is completed.

25X1A

3. of Personnel, OSA-DD/R, Ext 7206-07, should be advised as soon as the results of the medical and security examinations are available so that personnel may either be returned to their permanent duty station or be made available for further training.
